Date: 30 September 2023

TO WHOM IT MAY CONCERN

This is to certify that Suryansh Sharma has successfully completed the Python Trainee Internship from 01 August to 30 September 2023.

His internship activities include learning python programming and creating projects around the concepts of Python and it's related libraries. He was also required to follow the company standards and perform up to the mark in projects and other provided tasks while learning.

During the period of his internship program with us, he had been exposed to different processes and were found diligent, hardworking and inquisitive.

We wish him every success in his life and career.
